HEADLINE: POLYGUARD GROWS INTERNATIONAL DIVISION

ENNIS, TX – Nate Muncaster, director of the International Division for Polyguard Products Inc., is excited to announce the contracting of Mr. Rajeev Sharma as representative of the Middle East and Subcontinent. Rajeev has extensive experience of about 12 years in the oil and gas industry handling mainly pipeline coatings. He had worked with Berry Plastics Corrosion Protection Group for about nine years before joining Polyguard. While working with Berry Corrosion Protection Group, Rajeev was responsible for the Middle East market looking after all the four principal technologies (heat shrink sleeves, tapes, liquid epoxies and cathodic protection.) He has also looked after the South East Asian region prior to Middle East for Berry Plastics.

A dedicated and enterprising person, Rajeev holds a bachelor's degree in engineering and has attended several courses on pipeline coatings by NACE and SSPC, etc.

While learning new things, he aims to create a strong foothold for Polyguard Products in the Middle East and subcontinent region.

Rajeev and his family moved to Dubai, United Arab Emirates from India about four years ago for Berry Plastics.

Founded in 1953, **Polyguard Products** specializes in products which protect surfaces and structures from moisture, water, or other undesired substances. Polyguard is an industry leader in the production self-adhesive protective coatings for engineering and construction. Polyguard is also a 100% employee-owned ESOP with 22 consecutive years of sales growth.
