## HEADLINE: POLYGUARD ADDS TO PIPELINE DIVISION

HOUSTON, TX – Chic Hughes, vice president of Polyguard Products Inc.'s Pipeline Division, announced today the addition of Kyle Heine as technical salesman for the company.

Heine comes to Polyguard after more than three years with Dow Chemical. Previously Heine worked with Honeywell and Standard Renewable Energy where he also worked in sales. He's worked in the energy industry for 10 years.

Heine is a graduate of the University of Texas-Arlington, where he received a bachelor's degree in communication.

"At Polyguard, I will look to expand the company's market share and increase revenue through new business acquisition," Heine said. "Polyguard has a great reputation in the industry and I look forward to helping drive success in the Pipeline Division. I would like to be a long term employee of Polyguard and continue to grow by being presented with new opportunities."

Founded in 1953, **Polyguard Products** specializes in products which protect surfaces and structures from moisture, water, or other undesired substances. Polyguard is an industry leader in the production self-adhesive protective coatings for engineering and construction. Polyguard is also a 100% employee-owned ESOP with 22 consecutive years of sales growth.
