POLYGUARD TO PRESENT AT BUILDING ENVELOPE SYMPOSIUM:

DALLAS, TX – Polyguard Products, Inc. has been invited to participate in a Building Envelope Weatherization Symposium in Dallas and Austin next month.

David Leslie, Director of Technical Services for Polyguard’s Architectural Division, will be a panelist on May 2 at the Meridian Business Centers in Dallas on Tuesday, May 2. Phil Funkhouser, Southwest Regional Manager for Polyguard, will be on the panel Thursday, May 4 at the Peachtree Social House in Austin.

Representatives from industry leaders will be on hand to discuss a variety of topics related to protecting the building envelope. Polyguard will be on hand to discuss and answer questions regarding Chemical Resistant Membranes in an Integrated Building Envelope. The full day programs are CEU accredited programs.

“The building envelope represents approximately 10 percent of the building cost and Moisture Intrusion represents 90 percent of Construction Litigation,” according to the American Institute of Architects (AIA).

Founded in 1953, **Polyguard Products** specializes in products which protect surfaces and structures from moisture, water, or other undesired substances. Polyguard is an industry leader in the production self-adhesive protective coatings for engineering and construction. Polyguard is also a 100% employee-owned ESOP with 24 consecutive years of sales growth.
