## POLYGUARD ANNOUNCES PROMOTIONS IN MECHANICAL DIVISION

Effective September 1, 2017, Tony Garone and Nate Brink have been named co-division managers for the Mechanical Division of Polyguard Products, Inc.

After 30 years in the industry, Patrick Dunn, who has served as Vice President of the Mechanical Products since 1998, has decided to retire. He will remain with Polyguard during 14-month Phased Management Succession ending in October of 2018 and will serve as a technical consultant beginning in late 2018.

“Tony and Nate have done an excellent job during their time with Polyguard’s Mechanical Division and we look forward to continuing the success and expansion we enjoyed during Patrick’s time leading the division,” President Shawn Eastham said. “Patrick has been a valuable member of our team and is a major reason why we’ve enjoyed 24 consecutive years of sales growth.”

Tony Garone has been with Polyguard since 2009 and has over 35 years of industry experience. Tony will manage the administrative aspects of the division.

Nate Brink has been with Polyguard since 2010 and has 15 years of industry experience. Nate will take over sales/technical management responsibilities.

Founded in 1953, **Polyguard Products** specializes in products which protect surfaces and structures from moisture, water, or other undesired substances. Polyguard is an industry leader in the production self-adhesive protective coatings for engineering and construction. Polyguard is also a 100% employee-owned ESOP with 24 consecutive years of sales growth.
